

REVOLVE Translucent

Why REVOLVE Translucent Collection?

Our Revolve Translucent is a beautifully textured jacquard-weave fabric, features a three-dimensional raised effect, adding depth, warmth, and sophistication to any space. Its refined texture creates a subtle interplay of light and shadow, enhancing interiors with a sense of movement and dimension. Available in a modern, versatile colour palette and FR tested to AS1530.2 and AS1530.3.
